

## EYE CANDY

Adegbalola Rev #3 08/13

open G tuning

Sugar, sugar, sugar  
Running all round my brain  
Every time I see my baby  
Bout to drive po' Gaye insane

Chorus      She's eye candy  
                 Eye candy on my mind 2x  
                 Gimme ocular diabetes  
                 Lord, lord, lord, my baby fine

Chorus

There is no other "Equal"  
There is no substitute  
My baby is so "Splenda'd"  
Oh she's honey dripping cute

Chorus

Makes my sugar rise  
And my heart skips a beat  
Goes thumpity-thumpity-thump-thump  
Her smile keeps sticking to me

Chorus

Looks just like dark chocolate  
I always love to eat  
Oh so rich and nutty  
She's my favorite treat

Chorus
