

**I need to let go, I need to let God
Lift my burdens, ease my pain
I need to let go, I need to let God
Make me whole again**

**I'm tired, but I cannot sleep
I'm hungry, but I cannot eat
I'm looking, but I cannot see
I'm talking, but I cannot speak**

**Bridge: (They say) God won't give you
No more than you can bear
Hard luck and trouble
I've had my share
I need to let go
I need to let God
Make me whole again**

**I'm praying, but I cannot kneel
I'm touching, but I cannot feel
I'm listening, but I cannot hear
I'm hurting, but I cannot shed a tear**

**Bridge: Oh yes, I'm numb
I'm numb and cold
Please take it off me
Save my soul
I need to let go
I need to let God
Make me whole again**
