G **B**
Saw you again for the first time just the other day

E7 **F7** **E7**
I wanted to hurt you like you hurt me throw some dirt in yo' face

A **D7** **D#7** **D7**
But I'm a bigger person so low I have not sunk

G **D7**
Ain't no need for me to be pissin' on a skunk

My heart started thumpin', my hands got sweaty too
I was thinking 'bout the cussin' I was gonna lay on you
But I'm a peaceful person I don't want no trouble funk
Ain't no need for me to be pissin' on a skunk **G7**

C **Cm**
Bridge: Well I'm sorry, so so sorry

G **G7**
You did me all those dirty, dirty deeds

C **Cm** **G** **G#** **A**
But what goes around, you know it comes around

D7
A higher power will bring you to yo' knees

So I'll lower my pressure
Keep my lips tight
There's no need to argue
Cuz I know I am right
I'm a whole and healthy woman
I'm not crazy, I'm not drunk
Just no need for me to be
Pissin' on a skunk
