

BIG OVARIES BABY

~~ Adegbalola 2/98 Rev #2

**Some folks call me crazy
Some folks call me wild
I used to be called womanish
When I was a child**

**Refrain: Cuz I got big ovaries baby
I got big ovaries baby
I got big ovaries baby
Big enough to speak my mind**

**I got a whole lot of nerve
I ain't got no shame
I fight for my fights
Cuz "BITCH" is my middle name**

Refrain

**Bridge: I'm in this game of life
I compete every day
I set my own rules
And I don't need balls to play
Offense is my defense
I won't be caught off sides
I'm in the estrous zone
And I won't be penalized**

**Assertive or aggressive
Name it, if you will
Brazen or bodacious
I've got ovaries of steel**

**Refrain w/last line = big enough to be enshrined
Milk the ending w/breaks**
