

BITCH WITH A BAD ATTITUDE -- TALKING TAG

(varies most every performance)

last line on previous page slows down

A **G**
... what you got baby is a bii-i-i-i-tch (hit G chord to punctuate spoken lines)

You got a bitch right here in (name of town) this evening

You gonna have a bitch when you wake up on the morning, baby

I say you sewed a lot of bitch seeds and you got a bumper crop coming in

And you spread a lot of fertilizer around while you was sewing 'em, baby

Now ladies, I want you to hear me real good this evening (into preacher-like mode)

I learned not too long ago that bitch stand for Being In Total Control of Herself -- yeah, yeah, yeah!!

So the next time somebody calls you a bitch, tell 'em that we're in the business of changing definitions

They call strong women bitches, they call successful women bitches, they call women who speak their minds bitches

That's why they call Roseanne (or whoever) a bitch

They call Barbra Streisand/Madonna (whoever) a bitch

They call First Lady (for the 2nd time) Hillary Clinton a bitch

And if Hillary knows like I know, she needs to get some bitch lessons from the head bitch of the world. . .

The one, the only. . . Judge Judy

Sometimes they call (Ann & Andra. . .) Saffire a bitch

So the next time, the next time, the next time somebody calls you a bitch . . .

Look 'em dead straight in the eye and say. . . "thank you, thank you very much"

Say . . . "I'm a bitch with a baaaaad at-ti-t-uuuuu- d-e!!" (walk up to D7 chord on t-u-d-e)
