

COLD PIZZA AND WARM BEER

Adegbalola 4/96
Std G no turn around

G

When I woke up this morning
I crawled out of my bed
My back was really aching
My eyes were cherry red

C7

Refrain: It's just the morning after

G

Don't remember who was here (2nd line changes each x refrain sung)

D7

C7/Break

I'll eat a slice of cold pizza

And wash it down with warm beer **G** (no turn around)

I got that no-so-fresh feeling
From my head down to my toes
I think I had a good time
But heaven only knows
Refrain: 2nd line—Still funky up in here

There's a sink full of dishes
The house is all to' up
Cigarette butts been drowned
In a half-full cup
Refrain; 2nd line—My head is starting to clear

C7

Bridge: We sang with Aretha (sock it to me, sock it to me, sock it to me)

Danced like the Temps

G

Took a midnight train to Georgia

G7

With Gladys and the Pips (woo woo)

C7

Lord we had a good time, my head was feeling right

D7

If I get myself together, I'll do it again tonight

G

Just those tell-tale signs of living

My house and I are a mess

But it's a small price to pay

If it takes away the stress

Refrain: 2nd line—Was the party of the year
