

**FRONT DOOR BLUES**  
**#3 11/98**

**Adegbalola Rev**

-- can be performed in 1st or 3rd person

**Chorus: I got all of my stuff out of the closet  
I got all of my stuff out of the closet  
All my stuff is out of the closet  
But I can't walk through that front door**

**I got all my courage up  
(Cuz) I couldn't take it no mo  
Down the stairs, down the hall, unlock the door  
Then feels like my foot is nailed to the floor**

**Chorus**

**(Whenever) I take two steps forward  
(Seems like) I always take one step back  
Slipping and a-sliding, peepin and a-hiding  
Call it vertigo cuz I'm scared like that**

**Chorus**

**You are not supposed to ask  
But now it's time to tell  
I feel like screaming it in the streets  
But when I open up the door I get scared as hell**

**Chorus**
