

GIVING YOU MY MOJO
3/00

Adegbalola

**I got so much mojo to give you
I got so much mojo to give
I got so much mojo to give you
Gotta lot of living to live**

**Don't be afraid
C'mon touch me, touch me, touch me
I'm gonna rub my mojo into you**

**Don't be afraid
C'mon look, look, look me in the eye
I'm gonna stare my mojo into you**

**Don't be afraid
C'mon smile, smile, smile with me
I'm gonna laugh my mojo into you**

**Chorus: I'm giving you my mojo (giving you my mojo)
 I'm giving you my mojo (giving you my mojo)
 I'm giving you my mojo (giving you my mojo)
 I'm giving you my mojo (giving you my mojo)
 Giving you my mojo
 Give you all the magic you need**

**I got so much mojo to give you
I got so much mojo to give
I got so much mojo to give you
Gotta lot of living to live**

**Don't be afraid
C'mon hold me, hold me, hold me
I'm gonna press my mojo into you**

**Don't be afraid
C'mon and kiss me, kiss me, kiss me
I'm gonna breathe my mojo into you**

Chorus

First Verse
