

HETERO TWINGES
10/06

Adegbalola

Look out (look out)
But it only happens once in a while (2x)
When I saw that man
I broke out in the biggest smile

Lord, he was sexy
Built up from the ground (2x)
I couldn't help it
My heart just started to pound

Good God a-mighty
He's so doggone fine (2x)
Hetero twinges
Messin' with my mind

Chorus: **I had hetero twinges (hetero twinges)**
 I had hetero twinges (hetero twinges)
 I had hetero twinges (hetero twinges)
 I had hetero twinges (hetero twinges)
 I had hetero twinges
 Messin' with my mind

Bridge: **I knew it wasn't real**
 I knew I didn't care
 But my eyes popped out
 In the biggest stare
 Don't want that man
 I just appreciate
 His fine attributes
 But I'm not seeing straight

Repeat verse 3

Chorus
