add'l lyrics by Juno Pitchford

A A7
I lost my baby to another man

D7 D#dim
I'm trying so hard to understand

A C#7 D7
We both are doing the best we can

A E7 A E7
But I lost my baby to another man

Was in the stars, in nature's signs
The tree will grow as it's inclined
But I knew nothing, I was blind
Two stars were crossed and one was mine

D7 C#7 D7 Dm C#m Dm
Bridge: It hurt, it hurt so bad

A E7 A A A7
If it was a woman, would I be this sad

D7 C#7 D7
But what does it matter

Dm C#m Dm
It's not about me

A Bb B B7 E7
There's no choice, there's only destiny

The cards were dealt, I was trumped by fate
Two of a kind beat my straight

**The game is over, the hour is late
The truth came out, how can I hate**

**Tag: The game is over, the house is late
The truth came out, how can I hate**
