

# **I AIN'T GONNA WEAR NO BURQ'A**

**Adegbalola 12/01**

**Intro:REMOVED**

**I'll speak for my sisters  
Say it loud and say it clear (2x)  
I'm free to raise my voice  
Cuz my sisters live in fear**

**Chorus: I ain't gonna wear, ain't gonna wear no burq'a  
I ain't gonna wear, ain't gonna wear no burq'a  
I ain't gonna wear, ain't gonna wear no burq'a**

**Burq'a is a cage and a caged bird's got to sing  
She could die from a hot flash up inside that thing  
Or try to feed the baby, baby can't find the tit  
Looking from that mask, you know she can't see shit**

**Chorus**

**Only women bleed, only women birth  
Imprisoned in a cage, doing 24-7 work  
So many women been robbed, chopped off at the clit  
Stand up for our sisters, it's not the time to quit**

**Chorus**

**You can pray to the north, south, east or west  
Using God and religion, you know who they oppress  
Cook, clean and wash, don't think a single thought  
C'mon women, rise up! Let 'em see what God hath wrought**

**I'll speak for my sisters  
Say it loud and say it clear (2x)  
I'm free to raise my voice  
Cuz my sisters live in fear  
Chorus**
