

IF I SHOULD DIE TONIGHT

Adegbalola 3/00

**If I should die tonight
You know I won't die blue
I've had so much love in my life
I've had you**

**My sun, my sun is setting
And my body's moving slow
But I won't be blue
Any time I go**

**Dark clouds enfold me
Pain all in my side
But a love like ours
Could never be denied**

**Angels all around me
Angel in my bed
Moonlight for my pillow
Starlight for my spread**

**I won't be kicking
I won't be screaming
There'll be a smile on my face
I'll be in my baby's arms
As I leave this place**

**Don't cry, don't cry, don't cry
Our love is such a precious one
Love everlasting
When I go, it's not done
(Be with you always)**

**Grim reaper, here's the harvest
Rich and full and ripe
I'm going down easy
If I should die tonight**
