

## **#10 JUDGMENT: DON'T CRITICIZE ME**

**If you can't clap on the two and the four, don't you criticize me (2)  
Yeah, if you can't clap on the two and the four  
You shouldn't be putting me down no more  
If you can't clap on the two and the four, don't you criticize me**

**If you can't boogie and shake yo' ass, don't you criticize me (2)  
If you can't boogie and shake yo' ass  
Up and down and slow and fast  
If you can't boogie and shake yo' ass, don't criticize me. . .**

**Bridge:        My blues is about getting the pain out  
                  All you gotta do is feel it  
                  You know you're holding my heart in yo' hands  
                  Using academic words to squeeze it**

**If you can't throw your hands in the air, don't you criticize me (2x)  
Well if you can't throw your hands in the air  
Sweat yo' clothes and sweat back yo' hair  
If you can't throw your hands in the air, don't you criticize me. . .**

**If you can't cry when it hurts so bad, don't you criticize me (2x)  
If you can't cry when it hurts so bad  
If this is the life that you never had  
If you can't cry when it hurts so bad, don't you dare criticize me. . .**

**Bridge::        My blues find humor in the pain  
                  Of day-to-day living  
                  Your 3 dollar words and flatted thirds  
                  Are so, so unforgiving**
