

LOCKED UP
1/03 Rev 08/08

Adegbalola

C
You've been gone
C7
Been gone so long
F
Some said you were right
F7
Some said you were wrong

C A7
Refrain: Now you're locked up

D7 G
But not locked out

C F C G
Of my heart

Your Momma cried
And I did too
Your brother and sisters
Abide with you
Refrain

F
Bridge: And so we pray, for grace today
C C7
To light the path, to clear the way (or to keep the faith)
F
We love you so, want you to know
G
That we will never, never, never, never,
Never let you go

So hold on to
That unchanging hand
All other ground
Is sinking sand
Refrain

We'll keep you here
There is no doubt
Forever and ever

**That's what love is all about
Refrain w/ Locked IN my heart
