Adegbalola, 8/90

Key of C (C - F - G)

Talking intro- vamp on C

**CHORUS: I get up early in the morning to shake the dew
off the lily (3x)**

**I look at all the orchids
I sniff at all the vines
Pull petals from the daisy
To see it you are mine**

CHORUS

**Dahlias and gardenias
Pricked by a thorny rose,
Playing in the garden
To watch the flowers grow**

CHORUS

**I suckle honeysuckle
I laugh at daffodils
I pluck those sweet petunias
It gives me such a thrill**

CHORUS

I shake it, I shake it, etc.
