You gonna love the way I spread my wings

When I spread my wings around you

You gonna find joy in everything

I'm gonna love you better
Better than you ever loved yourself (2x)
The way I'm gonna love you
You ain't gonna need nobody else

(Listen now) If you ask me for a dollar
I'm gonna give you a twenty dollar bill (2x)
And if you ask me for a little drink of liquor
I'm gonna give you a whole whiskey still

If you should ever leave me
To the heavens I will fly (2x)
The saddest thing will happen

You'll see this sweet black angel cry

Crying:

M-mmmmm

M-mmmm M-mmmm

M-mmmmmmm

M-mmmmmmmmmmm

Yes the saddest thing will happen //

You'll hear this sweet black angel cry
