

NEW TIPPIN' VERSE: PICK A NUMBER. . .

- 1 You're a misogynistic rapper
 Rapping homophobic lies
 You said "gimme a blunt; no woman, no cry"**

- 2 You're a rich young rapper
 Spewing homophobic sounds
 You said you "don't take anything lying down"**

- 3 You're a rich young man
 With a homophobic rap
 But you were caught speeding in a gaydar trap**

- 4 You're a misogynistic rapper
 Spewing homophobic lies
 But all your groupies seem to be fruit flies**

- 5 You're a homophobic rapper
 With a crotch-grabbing touch
 A misogynistic mister who protests too much**

Note #1 & #2 both have the "You said" lead in like the other verses in the song, but one of the other verses might be better. Just pick your first choice. . . without discussion.
