TWO IN THE BUSH IS BETTER THAN ONE IN THE HAND

Death Letter riff

G throughout verse ~~

I've place all my eggs in one basket

So many times before

They've been scrambled, boiled and fried--

Even dropped upon the floor

I've found out in the long run

It's a poor hole that's got one rat

Life's a hard row to hoe

And I'm a harder nut to crack

C G G7

Chorus: You ask me for commitment, you don't understand 2x

That two in the bush // Is better than one in the hand

Gonna have my cake

Gonna eat it too

That's the way the cookie crumbles

Don't bite the hand that feeds you

Put your money where your mouth is

Don't let the cat get your tongue

Don't look a gift horse in the mouth

Don't count your chicks before they come

Chorus

C

Bridge: I jumped outta the fire, and into the frying pan

Gotta strike while the iron is hot, gotta get it when I can

C

If you can't lick 'em, join 'em, you can't fix what is not broke

Α

I advise you to get out the kitchen

D

Now there's fire where there was smoke

Don't put yo' big foot in your mouth Don't start what you can't finish I need a horse of another color And the sea is full of fishes If you can't fit don't force it In my back, don't stick a knife Last line on the tip of my tongue Variety's the spice of life

Chorus
