Written by: **Gaye Adegbalola (01/2011)**

Flavor: **Piedmont Blues to Blues Rock**

E
I like spinach

B7
I like kale

E
I like turnip greens too

E **E7**
I like string beans

A
And collard greens

B7
And brussel sprouts will do

E **E7**
That cabbage is a cutie

A **Gdim**
Peas roll around and have such fun

E **C#7**
Lettuce has pretty ruffles

F# **B7**
But they're not number one. . .

E
Refrain: Gimme some broccoli

E7
Give it to me please

A

Gimme some broccoli

Gdim
That what I need

E
Stop Time: Taste so good

E7
I can't go wrong

A
Vitamins and minerals

Gdim
Keep me strong

E **E** **C#7**
That's broccoli, broccoli, broccoli

F# **B7** **E C#7**
With the cute lil bushy head (oh yeah)

F# **B7** **E**
With the cute lil bushy head (that what I said)

When you eat all your greens
You won't get the blues
All of them are so good for you
But broccoli's what I choose

Refrain

Stop Time: B - R - O - C
C - O - L - I
Love me some broccoli
I'll tell you why

That's broccoli, broccoli, broccoli. . .
