

BOY IN THE BOAT

Adegbalola Rev 02/07

**You have the cutest little boy
Standing in his little boat
You have the cutest little boy
Is he old enough to vote?**

**I saw him standing there so tall
In his bright red overcoat
Just the cutest little boy
I'm gonna help him row his boat**

**Bridge: Yes, he rowed out to sea
 Just as proud as he could be
 I took him by the hand
 Found the promised land
 Set each other free**

**I watched him dive, I watched him fish
Ride the waves, go high and low
The tide went out, he fell asleep
Dreams traced in vivid after glow**
