## Adegbalola

## FIREBALLIN'

11/2013, Rev 01/2014

Α

Well, my left eye was jumping and my flesh began to crawl

D7 A

You put the hoo-doo on me, take it off with Fireball

My hand turnt blue and itchy My head was going bald 'lectricity in my pocketbook Take it off with Fireball

There was black cats in my bedroom
Black cats grinning in the hall
(They were) Shooting crap and playing tonk
Take 'em off with Fireball

D A

Bridge: When I'm up against the wall I/You need some Fireball

A

When I'm shopping at the mall I/You need some Fireball

When I'm no fun at all I/You need some Fireball

D D D D Now I'm ten feet tall because I'm full of Fireball

A A A7

Chorus: When I get drunk who's gon' carry me home? (Fire + siren sound)

D7 A A7

When I get drunk who's gon' carry me home? (Fire + siren sound)

E7 D7 A

Well, I might be sober now, but I won't be sober long (Fire + siren sound)

Got rid of yo' funky hoo-doo No, I ain't scared at all (Gonna) Fumigate and smudge this house Got my Fireball

I'm ready to fight the devil His army and navy will fall Then I'll dance and shake, eat some jelly cake Got my Fireball

Joy is my religion

Mirror, mirror on the wall All i see is a soul set free Got my Fireball

BRIDGE

**CHORUS**
