

KEEP THE FAITH, SPREAD THE FAITH

Adegbalola 01/21, Rev 03/21

Woke up this morning
Didn't know what to do or where to go
Now it's noon
And I still don't know

To sleep at night
I ask for guidance
Lead me Lord, take me Lord
I don't know where I'm going . . . but I gotta

Keep the faith
Spread the faith
That every little thing
Gon' be alright

Yes, I'll keep the faith — keep the faith
And spread the faith — spread the faith
That every little thing
Gon' be alright

So, come with me
Take this ride with me
I don't know where I'm going
I just might go outside

Come hold my hand
Come take this ride with me
We'll be singing freedom songs
On this journey called life

We'll keep the faith — keep the faith
And spread the faith — spread the faith
That everything
Gon be alright

Yes, we gonna keep the faith — keep the faith
And spread the faith — spread the faith
That every little thing
Gon be alright

Yea, yea, yea sing with me
Sing freedom songs with me
When you name your fears

**You will tame your fears
Try it . . . don't deny it**

**When fear is in my head
I don't hide it, I paint it red
I say "get back, Satan, get back
Can't you see. . . freedom's all over me"**

**In this lottery of life
I will play my numbers
1 and 20 - 20 and 1
And the prize is HOPE**

**HOPE'S a good breakfast
But I need more at supper time
I am brave enough to see the light
And I am brave enough to be the light . . .**

**I'll keep the faith — keep the faith
And spread the faith — spread the faith
That everything's
Gon be alright**

**Yes, I'll keep the faith — keep the faith
And I will spread the faith — spread the faith
That every little thing, every little thing, every little thing
Gon be alright**

**I will keep the faith — keep the faith
Spread the faith — spread the faith
That every little thing gon be alright**

**Ohhhh, keep the faith — keep the faith
And spread the faith — spread the faith
That everything's
Gon be alright**

**Gon be alright
Gon be alright
I keep the faith that everything gon be alright**

**Hold my hand
Sing with me
Freedom songs, yeah you gotta be free
Yes, if you name your fears, you will tame your fears
Try it, don't deny it
It's gon be alright**

Gon be alright
Hmmmmm..... . . .
